**REPORT OF THE SELECTION TEST-1990  
FOR  
ADMISSION TO NAVODAYA VIDYALAYAS**

Department of Measurement, Evaluation,  
Survey & Data Processing

**NATIONAL COUNCIL OF EDUCATIONAL RESEARCH AND TRAINING**

Sri Aurobindo Marg, New Delhi-110016

**1991**

## F O R E W O R D

In pursuance of the National Policy on Education - 1986 the Government of India started the scheme of setting up of Navodaya Vidyalayas (NVs) in each district. The purpose of the scheme was to set up pace setting institutions for talented rural children. To date 261 Navodaya Vidyalayas have been set up in as many districts in 22 States and 7 Union Territories. These are residential schools fully financed by the Central Government.

At the instance of the Department of Education, Ministry of Human Resource Development, (MHRD), Government of India, the NCERT has been conducting the selection test for admission to Navodaya Vidyalayas since the inception of this scheme. An objective type test is conducted throughout the country for this purpose. The present report gives details about the selection test conducted by the NCERT for admission to Class VI in the Navodaya Vidyalayas during the year 1990. The details include the number of candidates registered, appeared and selected. It also gives information about candidates selected in different categories in different districts.

I congratulate Dr. Pritam Singh, former Professor and Head, Navodaya Vidyalaya Cell who provided direction in conducting the selection test for 1990. The members of the academic and administrative staff of the Navodaya Vidyalaya Cell which now forms part of the Department of Measurement, Evaluation, Survey and Data Processing, deserve appreciation

for carrying out successfully the various tasks involved in the conduct of the examination and selection of candidates. Prof. P.M. Patel took over as Head of the Navodaya Vidyalaya Cell on May 11, 1990 immediately after the declaration of results of the 1990 test. The task of the release of wait-listed eligible candidates against vacant seats was completed under the overall guidance and supervision of Prof. Patel.

I wish to convey my personal thanks to various State educational agencies and their representatives for all the help and co-operation. The West Bengal Sahitya Akademi, the NCERT and the State Boards have been most helpful in the conduct of the selection tests.

My thanks go to Mr. S. K. Ghosh, Director, NCERT, for his kind and helpful suggestions and for the cooperation extended to the NCERT for the conduct of the selection tests.

It is felt that the present report would be useful to the readers, particularly those who are involved in the conduct of selection tests for the Navodaya Vidyalayas.

New Delhi  
April 9, 1991.

DR. A. K. GUPTA  
DIRECTOR  
NCERT

## P R E F A C E

The NCERT has been conducting the selection tests for admission to the Jawahar Navodaya Vidyalayas (JNV) since 1985-86. There are 261 JNVs located in 22 states and 7 Union Territories. These pace-setting schools aim at excellence in education coupled with equity and social justice. There is specific provision for reservation of seats for Scheduled Castes and Scheduled Tribes, girls and rural children. As regards rural areas, the reservation of seats is block-wise in proportion to the population of the blocks.

This all-India level selection test is conducted in 18 languages (19 scripts). The prospective candidates are administered an objective type test comprising questions on Mental ability, Language and Arithmetic. In most of the States and Union Territories, the examination is conducted in February/March. However, a separate test is conducted for JNVs in snow-bound areas.

The present report provides comprehensive information about the background and objectives of the Navodaya Vidyalayas, the scope of the test, procedure of registration and selection of candidates, strategies and logistics of the test, media of examination and main features of the selection test. Detailed statistics regarding the number of candidates registered, appeared, and elected are included in the report. The District-wise, State-wise and region-wise data have been included in various tables and annexures. For the purpose of comparison, data related to the selection tests conducted during the year 1986-87 to 1989-90 have also been included at appropriate places.

It is difficult to visualise the conduct of the selection test of such magnitude without active cooperation of various functionaries at various levels throughout the country. I wish to place on record my sincere thanks to:

- Sh. K.S.Sarma, Director, Navodaya Vidyalaya Samiti, MHRD and his staff at the Headquarters as well as in the Regional Offices;
- The Field Advisers, NCERT who undertook arduous duty of liaison and coordination work at the State level;
- The District Education Officers, Block Education Officers and other functionaries who extended cooperation to make the JNVST a success; and
- The Principals of Jawahar Navodaya Vidyalayas.

I am extremely thankful to Dr. P.L. Malhotra, former Director, NCERT, Dr. K.Gopalan, Director, NCERT, Prof. A.K. Jallaluddin, former Joint Director, NCERT and Prof. A.K. Sharma, Joint Director, NCERT for their academic guidance and encouragement in carrying out the responsibility of conducting the Jawahar Navodaya Vidyalaya Selection Test 1990.

I take this opportunity to thank Prof. Pritam Singh, former Head, Navodaya Vidyalaya Cell, NCERT, under whose leadership the work related to the planning and conduct of the JNVST-1990 was completed.

I congratulate the academic staff of the Navodaya Vidyalaya Cell, NCERT who shouldered the entire responsibility of conduct

of the JNVST-1990 in the midst of various odds and limitations. Shri S.L.Gajwani, Psychometrician, with the assistance of Dr. C.G.V. Murthy, Assistant Psychometrician, took steps to develop selection tests. Dr. V.P.Gupta, Controller of Examination, along with Shri Y.P.Aggarwal, Reader, Shri J.D.Sharma, Senior Lecturer, Dr. B.L.Pandit, Senior Lecturer, Dr. Santosh Kumar Gupta and Mrs. M.K.Bhalla, Assistant Controllers of Examination, Dr. C.G.V. Murthy, APSM and Mrs. Sandhya Sanghai, Lecturer contributed in planning and conduct of the selection tests and preparation of the results. The ministerial staff of the Navodaya Vidyalaya Cell assisted the academic staff in smooth conduct of the entire programme of JNVST-1990.

The present report has been compiled by Dr.V.P.Gupta and Shri J.D.Sharma. In this task, various members of the academic staff and the ministerial staff of the Navodaya Vidyalaya Cell (Department of Measurement Evaluation, Survey and Data Processing) actively cooperated.

I do hope that this report will be of interest to those who are engaged in conduct of selection tests, particularly for identification of talent.

New Delhi  
5 April 1991

P.M. PATEL  
Prof. & Head

2.2	Regionwise distribution of Registered, Applied and selected candidates during the period 1955-1990.	15
2.3	Regionwise and Districtwise Figures of Selected candidates during the period 1955-1990.	51
2.4 to 2.33	Districtwise and categorywise Break up of Registered candidates for NVST - 1990.	
2.34 to 2.63	Districtwise and categorywise Break up of Appeared candidates for NVST - 1990.	
2.64 to 2.93	Districtwise and Categorywise Break up of Selected candidates for NVST - 1990.	

## 1. INTRODUCTION

The need for providing quality education to the children and to promote excellence amongst students cannot be over-emphasised. By and large, the quality education is generally available to the children of well-to-do sections of society. In order to meet the ends of social justice and to translate the principle of equity into practice, it is desirable that the children of weaker sections of the society, specially the rural children, should also get opportunities on equal footing.

Keeping in view the resource constraints, a beginning has been made to promote excellence amongst students mainly from rural parts of India. During the seventh Five Year Plan, the Government of India took a decision to open at least one residential school in each District in order to provide opportunities to talented children from all sections of the society for development their full potential. These residential schools are called "Navodaya Vidyalayas". The National Policy on Education 1986 also reiterated and endorsed the idea. The Policy states:

It is universally accepted that children with special talent or aptitude should be provide opportunities to at a faster pace, by making good quality education available to them, irrespective of their capacity to pay for it.

Pace setting schools intended to serve this purpose will be established in various parts of the country on a given pattern, but with full scope for innovation and experimentation. Their broad aims will be to serve the objective of excellence, coupled with equity and social

justice (with reservation for SCs and STs), to promote national integration by providing opportunities to talented children largely rural, from different parts of the country to live and learn together, to develop their full potential, and, most importantly, to become catalysts of a nation-wide programme of school improvement. The schools will be residential and free of charge.

A beginning in this direction was made during 1985-86 when two Navodaya Vidyalayas were opened, one in the Haryana State and the other in the Maharashtra State. Later on in 1986-87 more Navodaya Vidyalayas were opened in various parts of the country followed by 126, 47 and 5 during 1987-88, 1988-89 and 1989-90 respectively. Thus 261 Navodaya Vidyalayas (renamed as Jawahar Navodaya Vidyalayas) have already been opened. These are residential institutions having separate hostels for boys and girls. Education in JNVs including boarding, lodging, books & stationery, uniform, is free. These Vidyalayas prepare students for Secondary/Senior Secondary examinations of the Central Board of Secondary Education.

A list mentioning the location of the Jawahar Navodaya Vidyalayas in each district and information about the year of establishment of each Navodaya Vidyalayas is given in Annexure-1.1

At present there are 261 Jawahar Navodaya Vidyalayas located in 22 States and 7 Union Territories. The Statewise distribution of 261 Jawahar Navodaya Vidyalayas is as under:

Andhra Pradesh	20	Rajasthan	20
Arunachal Pradesh	5	Sikkim	1
Bihar	24	Mizoram	2
Goa	2	Nagaland	1
Gujarat	7	Orissa	12
Haryana	9	Punjab	8
Himachal Pradesh	3	Tripura	1
Jammu & Kashmir	14	Uttar Pradesh	30
Karnataka	13	Andaman & Nicobar Island	2
Kerala	10	Chandigarh	1
Madhya Pradesh	28	Dadra & Nagar Haveli	1
Maharashtra	19	Daman & Diu	2
Manipur	1	Delhi	1
Meghalaya	3	Lakshadweep	1
		Pondicherry	4

The affairs of the Navodaya Vidyalayas are managed by the Navodaya Vidyalaya Samiti, an autonomous organisation under the Government of India, Ministry of Human Resources Development, New Delhi. At the request of the MHRD, the National Council of Educational Research & Training (NCERT) has undertaken the responsibility of selecting the students for admission in the Navodaya Vidyalayas at Class VI stage. The NCERT conducts national level selection tests during each year.

Some salient features of the NAVODAYA VIDYALAYA SCHEME with particular reference to the entrance tests are as follows:

- At least 75% of the seats in the district are filled by the candidates selected from rural areas and remaining seats are filled from the urban areas of the districts.
- There is a provision for reservation of seats for the Scheduled Castes and the Scheduled Tribes candidates. At least 15% seats are reserved for SCs and 7.5% seats are reserved for STs. Besides these, out of the total seats, one-third seats are reserved for girls.
- Candidates from the same District where the Jawahar Navodaya Vidyaapeeths have been opened are eligible to apply for admission.
- The age-limit for admission is between 5 to 12 years.
- The candidate must have studied and passed classes III, IV and V in three consecutive years from recognised schools spending one full academic session (without any gap or break in attendance) in each class through the formal system of education.
- No candidate is eligible to appear in the selection test for the second time.
- A candidate seeking admission under the rural quota must have studied and passed classes III, IV and V completing full academic session without gap or break from recognised schools located in rural area/areas.

## 2. NAVODAYA VIDYALAYA SELECTION TESTS

The NCERT has created a Navodaya Vidyalaya Cell at the Council's Headquarter to manage the affairs of the Jawahar Navodaya Vidyalaya Selection Tests. Earlier this work was assigned to one of the Departments of the NCERT viz., the Department of Measurement and Evaluation, Survey and Data Processing.

The NCERT conducted the first Navodaya Vidyalaya Selection Test in September, 1985 for selecting children for the Navodaya Vidyalayas in two districts, one in Haryana and the other in Maharashtra. Out of 12756 candidates that appeared in the selection test, 160 students were selected for admission in Class VI. The number of schools and the number of prospective candidates went on increasing during the subsequent years as a result of opening of more schools. During the session 1986-87, 125017 candidates appeared in the Selection Tests for 83 JNVs. Of these, 6253 candidates were selected.

During the session 1987-88, the number of JNVs rose from 83 to 209. Out of 2,45,673 candidates, 12,144 candidates were declared selected for admission in these Vidyalayas. 47 new JNVs were opened during the session 1988-89. Out of 3,55,222 candidates that appeared in the Selection Test, 18,184 candidates were selected for admission in Class VI in 256 schools. With the addition of 5 JNVs during the session 1989-90, the JNV Selection Tests had to be conducted for 261 JNVs. Out of

4,10,159 candidates registered for the selection tests. 3,51,222 candidates appeared in the test. Of these 18,254 candidates were selected for admission in class XII in 261 JNVs.

Table 2.1 shows statewide distribution of districts and blocks for which the Selection Tests were organised by the NC, NCERT during the past five years. The region wise distribution of districts and blocks is given in Annexure 2.1.

A precise overview of the number of candidates Registered for the Selection Tests, the number of candidates actually appeared and the number of candidates selected from different States and the Union Territories during the year 1986 to 1990 is given in Table 2.2. the regionwise distribution of Registered, Appeared and selected candidates during the period 1986-90 is given in Annexure 2.3.

The regionwise, statewide and districtwise figures of the selected candidates over the years 1986 to 1990 are given in Annexure 2.3.

#### JNVST - 1990

The Navodaya Vidyalaya Samiti, MHRD did not open any new Navodaya Vidyalaya during the session 1990-91.

For the purpose of management of the work related to the conduct of JNVST, the States and the UTs have been grouped in five regions as shown below:

During the year 1990, the Selection Tests for JNV in 239 Districts were conducted on 18th March, 1990. In 15 known Districts (7 Districts in Jammu & Kashmir, 4 Districts in Himachal Pradesh and 4 Districts in Uttar Pradesh), the JNVST - 1990 was conducted on 27th May, 1990. Due to certain reasons the Selection Test in 6 Districts of J & K was held on 15th August, 1990 and Selection Test (retest) for the Kargil District of J & K was held on 24th November, 1990.

Out of 3,43,107 candidates registered for JNVST-1990, 3,14,762 (91.74%) candidates appeared in the test. Of these, 17445 candidates were selected for admission in JNVs. As per provision of the Navodaya Vidyalayas scheme, at least 75% of the seats in each district are to be filled up by candidates selected from rural areas. During the year 1990, 13,218 candidates (75.96%) were selected from rural areas and 4197 candidates (24.04%) were selected from urban areas. Of the selected candidates 67.47% (11771) are boys and 32.53% (5674) are girls.

The scheme of Navodaya Vidyalayas stipulates reservation of 15 per cent seats for SCs and 7.5% seats for STs. This reservation is over and above the positions attained by the SCs and STs in open merit. In the JNVST-1990, out of the 17445 selected candidates, 3440 (19.72%) belong to SCs and 1757 (10.24%) belong to STs. The remaining 12218 (70.04%) are from general category including other Backward Classes (OBCs). The statistics relating to the registered, appeared and selected candidates are given in Tables 2.3 to 2.9.

### Strategy and Logistics

The Navodaya Vidyalaya Cell, NCERT assumed the major responsibility for planning and conduct of the Selection Test for the Jawahar Navodaya Vidyalayas for admission in Class VI during the year 1990-91. The offices of the Field Advisers, NCERT in the States acted as nodal agencies for the Selection Test. The Field Advisers, NCERT acted as coordinators and Liaison Officers between the Navodaya Vidyalaya Cell, NCERT and the District Education Officers (DEO's/DIO's). The examination centres were fixed up with the help of DEOs, DIOs and registration of candidates was done under the aegis of DEOs, DIOs through Block Education Officers who, in turn, liaised with Heads of Primary/Elementary Schools. The work relating to distribution of application forms, information brochures and other publicity materials, receiving and despatch of test booklets etc., was also done through the same channel. In this entire task, the Regional Offices of the Navodaya Vidyalaya Samiti, MHRD were also associated.

The application forms received from the candidates were scrutinised at the District Level in concerned DEO's office with the help of his staff and staff of Navodaya Vidyalaya. The orientation of the functionaries, such as DEOs and JNV Principals involved in the scrutiny work, was conducted by the NVC, NCERT. The Principals of JNVs were appointed as District Level Observers (DLOs). Besides these, a few DIOs

were recommended by the NCERT Field Advisers. The major responsibility of the DLO was to conduct orientation programmes in collaboration with the DEO at the district Headquarter, for the Centre Superintendents, Centre Level Observers and Block Education Officers. At each examination centre, a Centre Level Observer (CLO) was appointed. The Centre Level Observers were drawn from the Heads of schools, lecturers in Colleges, staff of State Educational Agencies recommended by DEOs/DIOs and approved by NCERT Field Adviser of the concerned State. The main function of CLO was to supervise smooth conduct of examination at various centres.

For effective conduct of examination by different establishments the NVC (NCERT) prepared a detailed Manual of Instructions giving information and guidelines about the nature of the test, roles and functions of different test personnel, sample test material, and mode of packing the material after the examination. A copy of the Manual was given to each functionary involved in the conduct of the test. The Manual of Instruction was prepared in two languages viz., English and Hindi.

#### Medium of Testing

Since the medium of this examination is the same in which the student qualifies his/her Class V examination, selection test paper had to be prepared in several languages. It transpired from the scrutiny of application forms that test papers were required in 18 languages (19 scripts). Accordingly, the NVC got the test paper prepared in 18 languages.

### Use of Single Test-Booklet

The Test battery for JNVT-1990 remained unchanged. The test consisted of three sections namely, (i) The Mental Ability Test, (ii) The Arithmetic Test, and (iii) The Language Test. The Test Paper comprised 100 items - 60 items for Mental Ability, 20 items for Arithmetic and the remaining items for Language. The items for the Mental Ability Test were of the following four types : (Each type covered 10 items)

1. Pattern completion
2. Series completion
3. Analogies
4. Completion of Squares

The Arithmetic Test consisted of 20 items based on a set of competencies. An expert Committee recommended one item for each competency for the selection test.

The Language test was predominantly based on reading comprehension. This test included four passages; each passage followed by five items. Nine different abilities implied by reading comprehension were tested in this test.

3. REGIONWISE STATISTICS AND OBSERVATIONS ABOUT JNVST 1990

In order to facilitate the process of admitting the students in 261 Jawahar Navodaya Vidyalayas in 22 states and / Union Territories the entire area was divided into five different regions viz. Central region, Eastern region, Northern region, Western region and Southern region. The States/UTs included in each region have been mentioned in previous chapter.

Certain regionwise significant statistics, observations and suggestions are given below:

- 1) Central Region: The JNVST-1990 was held for 902 blocks spread over in 54 districts of Bihar and Uttar Pradesh. The examination was conducted at 195 centre. The total number of registered candidates in the Central Region was 68610. Of these, 37465 were boys and 11145 were girls. The total number of registered SC candidates was 6719 and the total number of registered ST candidates was 2642. Thus 9161 SC and ST candidates applied for selection test. It may be pointed out that during 1989, in the Central Region, the total number of registered candidates for selection test was 89648.

Out of the 68610 registered candidates for the JNVST-1990, 63733 candidates appeared in the test. Of these, 4019 candidates were selected against 4320 seats in 54 schools. The number of selected boys and girls was 2731 and 1238 respectively. It may be mentioned that 107 SC & ST candidates (78 SC and 29 ST) found place in the open merit.

In both the states of the Central Region, viz. UP and Bihar the medium opted for the selection test by the majority of candidates was Hindi. The other languages opted by the candidates were English, Urdu, Oriya and Bengali.

ii) Eastern Region: The JNVST-1990 was held for 370 blocks spread over 34 districts. The States covered in this region are A&N Islands, Arunachal Pradesh, Manipur, Meghalaya, Mizoram, Nagaland, Orissa, Sikkim and Tripura. The total number of registered candidates in this Region was 28571. Of these, 19660 were boys and 8911 were girls. The total number of registered SC candidates was 2462 and the total number of registered ST candidates was 6063. Thus, 5525 SC and ST candidates applied for the selection test. It may be pointed out that during 1989, the total number of registered candidates in this Region was 31509.

Out of 28571 registered candidates for the JNVST-1990, 25825 candidates appeared in the test. Of these, 1751 candidates were selected against 2720 seats in 34 schools. The number of selected boys and girls was 1146 and 605 respectively.

It may be mentioned that 310 SC and ST candidates (56 SC and 254 ST) found place in open merit.

In the 9 states of the Eastern Region, the media opted for the selection test were English, Hindi, Bengali, Manipuri, Garo, Khasi, Assamese, Oriya, Mizo, Tamil and Telugu.

The reasons for large number of vacancies may be attributed to the fact that in some States, the number of qualified/selected

candidates was quite low. For example, the number of candidates selected in Sikkim and Nagaland was 15 and 21 respectively as against the capacity of 80 seats in each State.

111) Northern Region: The JNVST-1990 was held in 591 blocks spread over in 61 districts of Northern Region comprising the States and Union Territories of Jammu and Kashmir, Punjab, Himachal Pradesh, Rajasthan, Haryana, Chandigarh and Delhi. The examination was conducted at 6-6 centres. The total number of registered candidates in the Northern Region was 60859. Of these, 45133 were boys and 15721 were girls. The total number of registered SC candidates was 1104 and the total number of registered ST candidates was 1782. Thus, 10775 SC and ST candidates applied for the selection test. It may be pointed out that during 1989, the total number of registered candidates in the Northern Region was 7311.

Out of 60859 registered candidates for the JNVST-1990, 52361 candidates appeared in the test. Of these, 4061 candidates were selected against 4880 seats in 61 districts.

The number of selected boys and girls candidates was 2813 and 1248 respectively. It may be mentioned that 282 SC and ST candidates (199 SC and 83 ST) found place in the open merit.

In five States and two Union Territories of the Northern Region, the Media opted for selection test were Hindi, English, and Punjabi and Urdu.

iv) Southern Region: The JNVST-1990 for the Southern Region was held for 613 blocks spread over in 53 districts in the States and Union Territories of Andhra Pradesh, Karnataka, Kerala, Pondicherry and Lakshadweep. The examination was conducted at 658 centres. The total number of registered candidates in the Southern Region was 97672. Of these, 63424 were boys and 34248 girls. The total number of registered SC candidates was 11279 and the total number of registered ST candidates was 2594. Thus, 13873 SC and ST candidates applied for the selection test. It may be pointed out that during 1989, the total number of registered candidates for the selection test was 113413.

Out of 97672 registered candidates for the JNVST-1990, 90739 candidates appeared in the test. Of these, 3034 candidates were selected against 4240 seats in 53 Jawahar Navodaya Vidyalayas. The number of selected boys and girls was 2464 and 1370 respectively. It may be mentioned that 169 SC and ST candidates (131 SC and 38 ST) found place in the open merit.

In three states and two Union Territories of the Southern Region, the Media opted for selection test were Telugu, Kannada, Malayalam, English, Hindi, Urdu, Oriya, Marathi, Sindhi and Tamil.

v) Western Region: The JNVST-1990 was held 563 blocks spread over in 59 districts in the States and Union Territories of Maharashtra, Goa, Gujarat, Madhya Pradesh, Daman and Diu, and Dadra and Nagar Haveli. The examination was conducted at 657 centres.

The total number of registered candidates in the Western Region was 87305. Of these, 63207 were boys and 24098 were girls.

The total number of registered SC candidates was 10863 and the total number of registered ST candidates was 8248. Thus, 19111 SC and ST candidates applied for the selection test. It may be pointed out that during 1989, the total number of registered candidates for the selection test was 101781.

Out of 87305 registered candidates for the JNVST-1990, 82104 candidates appeared in the test. Of these, 3780 were selected against 420 seats in 59 Jawahar Navodaya Vidyalayas. The number of selected boys and girls was 2567 and 1213 respectively.

The reasons for large number of vacancies may be attributed to the fact that in the Union Territories of the Western Region, the number of qualified/selected candidates was quite low. For example, the number of candidates selected in Dadra and Nagar Haveli and Daman was 11 and 20 respectively as against the capacity of 80 seats in each Union Territory. It may be mentioned that 248 SC and ST candidates (153 SC and 95 ST) found place in the open merit.

The candidates of the Western Region opted for 8 languages namely Marathi, Gujarati, Hindi, English, Urdu, Telugu, Bengali and Sindhi.

Observations and Suggestions

Some of the observations as transpired from the study of the statistics for JNVST-1990 are:-

- The total number of candidates that appeared in the selection test during 1990 declined by 11.41% as compared to the selection test held during the year 1989. Whereas 3,55,320 candidates appeared in the JNVST-1989. the figure for 1990 came down to 314762.
- The total number of candidates selected through JNVST 1990 is 17445 as against the figure of 15254 during 1989.
- As per Navodaya Vidyalayas scheme 75% of the seats are filled by candidates selected from the rural areas. Out of 17445 selected candidates through JNVST 1990, 13255 (75.98%) candidates were selected from rural areas.
- 33% seats in each JNV are reserved for girls. Out of 17445 selected candidates through JNVST 1990, 5674 candidates (32.53%) were girls.
- At least 15% seats are reserved for SCs and atleast 7.5% seats are reserved for STs. Of the 17445 candidates selected through JNVST 1990, 3440 (19.72%) are SCs and 1787

(10.24%) are STs. Of these, 617 (3.53%) SCs and 499 (2.86%) STs got place in open merit. The reasons for shortfall in the reserved categories is that enough SC and ST candidates could not qualify in the selection Test.

There is provision of 80 fresh admissions in Class VI in each of the 261 JNVST. However, in the JNVs in certain districts, the number of selected candidates was quite low.

Suggestions:

1. Keeping in view the fall in the total number of registered candidates for JNVST-1990 vis-a-vis the JNVST-1989, it is suggested that publicity through print media and audio visual media may be intensified for wider coverage. The Government may advise the DEOs to ensure wider distribution of prospectus-cum-application forms and other publicity material to attract more candidates. The DEOs may be requested to impress upon their supervisory staff to convey the philosophy of the Navodaya Vidyalayas to the school teachers whenever they find opportunities to interact with them.
2. A comprehensive brochure mainly for the guidance of feeder school teachers and students may be developed and distributed. The teachers may be advised to guide the prospective candidates about various aspects of the Selection test including the procedure for attempting the test papers.

3. The Regional Offices of the Navodaya Vidyalaya Samiti may organise Orientation Programmes of the supervisory staff of the Education Departments and Headmasters/teachers of the clusters of Primary Schools under their respective regions, particularly to motivate the children from weaker sections of the society and girls to come forward to appear in the Navodaya Vidyalayas Selection Tests.
4. Whenever the Principals of the Jawahar Navodaya Vidyalayas happen to meet the teachers of the schools in the area of operation of their Vidyalayas, they should impress upon them the need to nurture talent among students and the roles played by the JNVs in this regard. It is hoped that the ideas and messages would percolate down to the students of the feeder schools. This will provide stimulus to the students to go for the Navodaya Vidyalayas Selection Test.
